Next Step: Schedule your appointment

We do not have a store front and an appointment **must** be made prior to hand-delivering or shipping your flowers. Please book this immediately after purchase.

Hand-delivery Address: Boonton, NJ (disclosed after booking)

Shipping Address: Randolph, NJ (disclosed after booking)

We require bringing extra flowers (bridesmaid bouquet, centerpiece) for 20x24 frames and/or if you are purchasing multiple keepsakes

How to schedule

Hand-Delivery Appointments: Click "Schedule" on our home page or follow the link in your order confirmation email. Select "Hand-Deliver" to book and choose the date and time you want to drop off. Specific delivery instructions will be sent to you after you book.

Shipping Appointments: Click "Schedule" on our home page or follow the link in your order confirmation email. Select "Shipping Flowers" to select the day you plan to ship. This does not need to be accurate and if you end up shipping on a different day, that's fine! We just need to know you are planning to ship on or around that date. Specific shipping instructions will be sent to you via email after you book.

Hand-Delivery VS Shipping

Thinking of hand-delivering? Here's a breakdown:

Hand-delivery appointments are available Monday-Saturday to our Boonton Studio. We are closed on Sundays. Saturday weddings should schedule their delivery date on the following Monday.

We do not have a store front and an appointment must be made prior to hand-delivering or shipping your flowers. I will be there to meet you at the time of delivery. Our studio address and directions will be sent to you via email once you book your appointment.

In your booking email you will receive address directions, how to wrap your flowers for drop off, and how to care for your flowers prior to arrival.

Drop off is quick and easy! Because we have a private studio, we do not allow clients inside. When you arrive, please ring the doorbell and I will meet you at the door.

AFTER HAND-DELIVERY DROP OFF

After that comes the hard part - the wait!

- Framed keepsakes take a minimum of 2-3 months for completion
- Resin Keepsakes take a minimum of 3 months for completion

You will receive an email 1 week before shipment to notify you of the delivery date - If you have an address change, you are responsible for notifying me. Otherwise, the address used at checkout will be the address your frame is shipped to.

When your frame is ready, it will go through a mini photo shoot, get wrapped up and packaged for shipment back to you!

Thinking of shipping? Here's a breakdown:

We have successfully received over 200 shipped bouquets this year! It is not as scary as it seems, but we have very specific instructions to ensure a safe delivery.

Shipping is ideal for our out of state clients, clients with a far drive, or busy post-wedding days.

To estimate shipping costs, the zip code for our delivery address is in Randolph, NJ 07869 (MUST BE OVERNIGHT OR 2-DAY MAX)

Items needed for shipping: shipping box big enough for your bouquet, 2-3 paper towel rolls, ice pack (nice to have but not needed), tin foil, a printout of order receipt and a note with your Name and Order Number.

AFTER SHIPPING ARRIVAL

Once your bouquet arrives it will go through its unboxing, breakdown and immediate preservation process. You will receive an email from us confirming the arrival with an estimated completion date, but this could be 1-2 days after its arrival.
